

DESIGN YOUR OWN RING

To order a ring, ChoicesBYDL needs your ring size.

Please carefully read all instructions as the measurement may not be accurate if not done properly. For accurate measuring, please measure your finger when it is at its largest, at the end of the day. ChoicesBYDL is not responsible for the measurement. Customized rings can not be exchanged.

How to print this instruction

1. Prior to printing, ensure that page scaling is set to "none" on your print dialog box.
2. Measure the bar on the right to ensure it is exactly 70 mm long.
3. If measurement is not accurate, check that you are printing the page at full size (100%) and reprint before continuing.

MEASURE CURRENT RING

1. Select a ring that properly fits the intended finger. Engagement and wedding rings are traditionally worn on the ring finger on the left hand in the United States.
2. Place the ring over the circles below, matching the inside edge of the ring to the circle nearest in size. This measurement refers to the diameter of the ring.
3. If the ring falls between two sizes, order the larger size.
